

State vs. federal Citizenship;

The Unknown Choice - **LIVE IN NEW HAMPSHIRE**

How would it be for you; if you could increase your income by 25-30%?

This Annual LIVE class on Federal Jurisdiction Presented by **Christopher Gronski** of **DestinationFreedom.org** will show you who has a federal income tax liability and why. Did you know the federal income tax is constitutional but is limited to US (federal) citizens and resident aliens? Is this you?

This is a class about **Federal JURISDICTION**. You may not realize that **Who You Say You Are, Where You Say You Live, Where You Say You Work and What Kind of Work You Do**, either puts you under the Federal or State government's jurisdiction or keeps you Free from their regulation and control. Find out why that is... You can also determine if you have a Federal Income Tax Liability (requirement). This class will help you understand the difference between State and Federal Citizenship and is **the basis for determining if you would like to obtain a United States Passport**, establishing your State Citizenship rather than a Federal or U.S. (14th Amendment) citizenship. **The Cost for this Class is \$385**

ALSO:

We will do a Passport Assistance the next day, you can sign up for (\$4,400)

This will be your Passport Process WITH Christopher.

Christopher will be with you to begin your process. Be sure to bring your current Passport (If you have one) your Birth Certificate and Driver's License.
